Your investment empowers people to raise expectations of themselves and their community.

Once participants of United Way funded programs, these youth are now employed and mentoring others.

THE IMPACT OF YOUR GIFT ON PEOPLE'S LIVES AND OUR COMMUNITY GOES FURTHER WHEN YOU CHOOSE UNITED WAY.

Not only is United Way's network of services there to support us if we find ourselves facing tough situations today, but United Way also works to deal with the underlying causes of some of our community's most urgent issues so they can be prevented from emerging in the first place. Your gift to United Way is the best way to make a positive impact on people's lives and create a better community for all of us because it helps build **successful youth, empowered people and vibrant neighbourhoods.**

100% of your campaign gift to United Way is invested in our community. A grant from the Province of Manitoba helps support United Way administration costs.
